ABOUT ME

I am Begna Bile, an Electrical and Computer Engineering graduate with a focus on Electronics and Communication Engineering from Wollega University, Ethiopia. I graduated with great distinction in July 2022, achieving a GPA of 3.91.

Throughout my academic journey, I have maintained an excellent academic record, driven by a passion for learning and a strong desire to contribute to the field of engineering and technology. I am a highly motivated and results-oriented individual with a strong work ethic. As a team player, I am confident in my ability to work effectively with others to achieve common goals.
